Armite Laboratories, Inc. dba Armite Lubricants is AS9100D:2016 & ISO9001:2015 Certified and a Woman-Owned Small Business Manufacturer, Designer, and Global Wholesaler of Military Spec, Commercial Spec & Commercial Grade Chemical Compounds, such as Anti-Seize, Corrosion Inhibiting, Rust Penetrating, and Lubricating Compounds. Armite is Department of Defense NIST SP-800-171 Cybersecurity Compliant.

CORE COMPETENCIES

Armite has nearly a century of manufacturing expertise producing mil-spec and commercial grade anti-seize, lubricating, corrosion preventive, and penetrating compounds. Our products support original manufacturers as well as maintenance, repair, and overhaul operations. We are most well known in the aerospace, aviation, airlines, marine, and military sectors, as well as valuable applications in a variety of industries from transportation, automotive, wind turbines, energy, mining, oil/gas, motor sports to advanced manufacturing, heavy equipment, and construction.

Products

- Mil-spec and industry spec anti-seize compounds
- Commercial grade anti-seize compounds
- 12|34®, a multi-purpose lubricant, corrosion inhibitor, penetrant, and moisture displacing compound certified to MIL-PRF-81309H

Services

- White label programs
- Contract manufacturing
- Special orders

PAST PERFORMANCE

Armite is a valued part of the global supply chain that keeps equipment lubricated and free from seizing, as well as other benefits ensuring the longevity of Armite's customers' assets. We are proud to be represented by many highly regarded distributors worldwide. Please see our website for a representative list of our authorized distributors. See Armite's web address below.

Commercial

- Aviall Services, Inc.
- Boeing Distribution Services
- GracoRoberts
- PPG Aerospace
- Topcast
- American Airlines
- Hawaiian Airlines
- UTC Tech (Goodrich)

Government

- SAIC
- NAVSUP WSS
- NAVSEA
- NUWC Keyport
- NASSCO
- AMS Industries
- Northrop Grumman

International

- Aero Defence
- Aerospheres
- Aircraft Shop & Supply
- Team Aviation
- Fuji Industries
- JINO Innovation
- MABAYCO
- Sky Source, Inc.

DIFFERENTIATORS

- Woman-owned and family operated
- Flexible, agile and personal customer service and support
- Manufacturing facility approved by the Department of Defense and The Boeing Company
- Fast lead times and of course, a leading manufacturer of high quality lubricants and anti-seize compounds
- Emergency and AOG shipments and In-house laboratory for product batch testing
  Sole manufacturer of Boeing spec anti-seize compound, BMS3-28A
- DOD Qualified Products Database certified, such Armite's 12|34® Formula exceeding MIL-PRF-81309H, Type 1 Class 2 CO2 and Type 2 Class 1
